Levies

1. MUSIC AND EXTRA SUBJECT TUITION

   An additional charge will be raised in respect of these subjects. Music fees can be found in the Music School application form. A full term's written notice of discontinuance is required.

2. REMEDIAL SUPPORT

   Remedial support will be charged as per remedial support schedule available from the Junior School.

3. SANATORIUM

   Boarders are charged termly to cover attendance at the daily Sanatorium Clinic (which includes use of Proprietary medicines but excludes medicines prescribed by the College's Medical Officer of Health). Day Scholars will be charged a fee if the Sanatorium facilities are used.

4. HALF TERM CHARGES

   A charge will be levied to cover costs for pupils who stay behind for half terms.

5. OTHER CHARGES

   Private stationery is supplied through the Book room and charged to the fee account.

   Pupils are charged for participation in certain cultural activities, societies, attending socials, optional sport and other voluntary activity choices. In addition, pupils are charged for fees and costs of external examinations e.g. GETC for Grade 9, Gr 12 IEB exam.

EXCLUSIONS

1. CHEMIST

   Direct arrangements must be made with your chemist in Makhanda. Due to changes in legislation, some chemists are now requiring up front deposits or Credit Card Authorisation.

2. HALF AND END-OF-TERM TRAVEL

   The College does not advance the cost of pupils' travel on behalf of parents. The Applicant can make arrangements directly with the local Travel Agent for the payment of air tickets.

3. INSURANCE

   The personal possessions of pupils attending the College ARE NOT COVERED by the College's insurance. Parents, particularly of boarders, should make their own arrangements for insuring the possessions of their children. Despite vigilance and strict precautions, losses do occur from time to time owing to negligence on the part of the pupils or to unproved theft. Parents are urged to discourage their children from bringing jewellery and other expensive, unnecessary items to School for which they would not have adequate insurance cover. The school accepts no liability for the loss or damage to pupils' property how so ever caused.

NOTES

1. A Family Rebate is offered, i.e.
   Second Child - 5%
   Third and subsequent child - 10%
   The rebate applies to tuition fees from Grade 000 to Grade12 and is offered to those families who do not enjoy any other form of financial assistance.

2. The College Council reserves the right to amend the above fees and charges without prior notice should circumstances so demand.

3. Fees are payable in South African currency. Any bank or foreign exchange charges levied by our bankers will be for parents' accounts.

4. Fees are payable in full on the first day of each term unless alternative arrangements are concluded in writing with the Bursar (i.e. ⅓ of the annual fees are payable at the commencement of each of the three school terms in January, May and September).

5. Interest is charged on overdue accounts at 1.5% per month.

6. Payment by Debit order for annual fees plus an allowance for extras, is possible over 10 months, January – October. Any amount still due will be deducted in November. This option does however attract interest at 1.5% per month.

7. Incidental expenses and/or additional Fees (meaning those prices for the additional goods/services that may from time to time be provided to or for the benefit of the Pupil, and additional costs and levies required from time to time to provide adequately for the education and related activities and services provided to the Pupil, including the costs of extra-curricular activities or special educational needs) incurred during the course of the term shall be due and payable as and when charged and upon presentation of the College's customary Statement of Account.

8. A full term's written notice of withdrawal of a pupil is required. Alternatively, a term's fees will be charged in lieu of written notice in the event of withdrawal without such notice.
