

TAX INCENTIVES to give to KINGSWOOD COLLEGE in the UK/USA

We now have a legal tax mechanism and are registered to receive donations for projects at Kingswood College in Grahamstown South Africa through The Calabar Foundation in the USA (501c3) and UK (Charity Status Gift Aid). This has been made possible per kind favour of Mr. Andrew Summers (OK 1971). Thanks too to our legal counsel in New York City, Mr. Michael Smith from Baker McKenzie Plc., who has undertaken this legal work on a pro-bono basis for Kingswood College. I wish to record my sincere gratitude to both parties for this immense contribution to the work at Kingswood College in the lead up to the 125th Anniversary celebrations in 2019....*this has been done at no cost to Kingswood College.*
